Dear Parents and Carers,

**Reports home today** - Today you will have received your child's end of year report. Inside the envelope you will also get additional information depending on which year group your child is in. Please do send your comments page back to the school office via your child before the end of term if you wish. If your child walks home alone, you will need to collect the report from the school office one day next week please.

## SUMMER FAIR

Please be reminded that it is the Summer Fair on Sunday between 12-3pm we are looking forward to seeing you at the event, which raises money for projects and resources happening in school next year!

## Staff leaving us in July

Last week I wrote to you with information about the teachers who will be leaving us this academic year. Today I wanted to inform you of some of the additional adults in school who will also be leaving us.

I am really sad to be telling you that Mr Bodman will be leaving us this month to return to Wales. We have loved having Mr Bodman as a team member in our school. He has worked across so many classes during his time with us and supported a huge number of staff and children. We hope that he may return one day and if he did we would welcome him with open arms. We wish him every success in his next chapter!

We are also saying goodbye to Carlos Ribeiro, a member of our premises team. Carlos has worked across the federation for over 10 years and during that time has also been studying. He is leaving us to take up a new adventure and we wish him every success. Thank you for all of your early starts, help around the building and all-round positive attitude to everything you do. We hope that you enjoy your next chapter!

We are also saying thank you and goodbye to Alexia Barlow, who has been supporting us for 2 days a week with our planning and curriculum cover for teachers this year. She is returning to Brindishe Green in September and we hope she has a fabulous year ahead...we will see her at our next staff training day!

Mr T and Ms Abigail are also leaving us. Both have only been with us a short time, but have supported a number of children across year 3 and year 6. We want to thank them for everything and wish them luck as they both go on to study Masters Qualifications in Psychology.

# Book Amnesty

We need our classroom books and reading scheme books back please! Please return them to your child's teacher.

## Transition sessions

A reminder that the children have already completed their first transition session, but have two more next week. They will spend time with their teacher on both occasions and also become familiar with where their classroom is located. The sessions remaining are on:

Monday 15th July

Thursday 18th July – Children should be dropped at their new classrooms on arrival.

## Parent curriculum meetings -

**\*\*\*correction to dates from last week's newsletter\*\*\***

Last year, parents and carers were invited to year group curriculum meetings, where we shared the coverage for the year, assessment information, expectations and other information. These meetings worked well and parents' feedback was that they were informative and helpful. The dates for the meetings are below. **All meetings start at 8:50am**

# Holiday and Food Programme & Vouchers

*Family Thrive*

HAF supports children and families on benefit-related free school meals by offering free activities and healthy food for the holidays. Parents of eligible children will receive a voucher code for each child, with which they can book onto a provision of their choice.

**Please find attached to this newsletter a timetable detailing the events occurring from next month.** If you are interested families but are not on benefit-related free school meals or who cannot locate their code, please email the HAF team at [HAFProgramme@lewisham.gov.uk](mailto:HAFProgramme@lewisham.gov.uk).

### Vouchers

London Borough of Lewisham will use the final allocation of the 'Household Support Fund' to support families with FSM eligible children by providing vouchers for the holidays until September 24 and in particular, the upcoming summer holiday. The available funding means they can assist these families at a rate of £90 per eligible child for summer holiday.

## Weekly Online Safety Bulletin

### LEGO Build and Talk

LEGO have created Build and Talk to help you chat to your child about online safety. The activities have been created for children ages 6 to 9.

Firstly, you pick an activity to do and then you read a story, which includes questions and conversation prompts, whilst you build LEGO together. This is a fantastic way to start talking to your child about topics such as screen time and cyberbullying.

Find out more here:

# Right Respecting

As the term ends for Brindishe School, we felt this was a good time to focus on safety in the holiday.

**Article 15 - Freedom of Association** - Every child has the right to meet with other children and to join groups and organisations, as long as this does not stop other people from enjoying their rights. Article 15 is about the right of association which is having the opportunity to gather with others for different purposes.

***Why is important that young people should have the opportunity to meet, spend time together and share ideas?***

- Joining groups or organisations can help us learn more about different issues.
- Meeting others helps us develop new skills: how to resolve issues, find ways to compromise, share, encourage, show support and empathy.
- It helps us to learn from and mix with a range of other people.
- We can learn a lot from other children and young people that helps to form our views and opinions about different things.
- 
- By being with other people, we learn more about ourselves.
- People can be stronger together.
- Joining together as a group, we can bring about change.
- Young people have a right to participate and to be listened to and be heard.

The Article 15 project supports children and youth around the world to self-organise and fulfil their rights. Take a look at their website to see how the CRC and Article 15 work to support children and adults in Nepal.

Which groups and clubs are you part of outside of school? Swimming? Beavers? Dance? If you belong to a few different clubs and/or groups – what's the difference between them? Are some just for fun? Do others help you to learn a new skill? Do others help you to make a difference or change something in your school or local community?
