Brindishe
Green

What has been happening this week?

Today, a team of cricketers took part in a competition at Mountsfield Park. Led by Ms Adams and Ms Swindells, the team showed sportsmanship, impeccable behavior and fantastic cricket skills! They had a great time in the park and really displayed our 5Cs at this competitive event.

Also this week, staff met with the BFG to help finalize plans for our Summer Fair, which is on Friday 5th July. We still need lots of donations and volunteers so if you are able to contribute and support, we encourage you to contact the BFG (more information below). We are confident that this will be another great community event!

What is happening next week?

We are closed to children on Monday and Thursday!

On Tuesday, all of our Year 6 children who will be transitioning to a Lewisham secondary school will be visiting their new schools for the day. If your Year 6 child is not attending a Lewisham secondary school, they must come to Brindishe Green on 2nd July as normal. Our Summer Fair is on Friday.

Maths Week, London

This past week, 24th - 28th June, marked Maths Week, London. To celebrate Maths all around us, 'The Maths Zone' has created a trail around London for families to complete. Why not spend a day out in London finding all the Maths around you? Happy Maths Week!
