Dear Parents and Carers,

A warm welcome back to the new school year to all of our children, families and staff!

A special welcome to our new families who have joined us in our Nursery and Reception and throughout the school. We look forward to getting to know you and your children really well over the coming few weeks.

We hope that you all had a wonderful summer break and were able to spend time enjoying some of the activities or things you like to do the most together.

The children have returned to their new year groups really positively and have settled well this week. There is an awful lot to remember in the first few days: new routines, PE days, where things are in the classroom and a whole host of other things. Over these first few weeks the children will begin their learning across the curriculum.

We have begun our 'Meet the teacher' curriculum meetings this morning with Year 6 parents and carers and will continue next week with years 1-5. Please see below for the date and time for your child's year group. We would like to see as many parents and carers as possible so that we can share information about the year ahead with you.

## **Class Newsletters**

Class newsletters will be sent out today to share information around the learning themes that your children will cover this half term.

Your child's new reading material and how home learning will work will be sent over the next week once the children are settled and are used to their routines.

Have a great weekend and we look forward to seeing everyone back at school on Monday!
